

Cub Scout Pack 729

Check out all the fun we have! Boys grades K-5. Our pack meets every other week in the elementary cafeteria or Treynor East Park, with an additional activity or campout each month. Throughout the year we do several service projects such as Scouting For Food and Treynor Optimist Can Kennel. In the summer ,we do many different activities like a weekend long camp just for Cub Scouts! Treynor Pack 729 is open to all boys grades K-5 in Treynor and surrounding towns.

There are additional activities the boys can participate in outside of the pack. These can be found on the Mid-America Council website. This website is a great resource. Please check the "events calendar". There are just too many that I cannot send them all through email.

Sign up online at www.mac-bsa.org click on Join Scouting to fill out the application or scan the QR code for sign up link and contact information.

It is Pack, 729, Unit 0729, (District) Trail Blazer,
