March 5, 2022

Greetings

We are excited to announce our upcoming Summer Enrichment Program that will take place June 6th thru July 15th 2022. This is our 7th year of providing educational and recreational activities to underprivileged youth in the Delta area. For the past seven years, we have provided six-weeks of summer service to 50-75 at-risk youth in the area at no charge to our participates. Summer of 2021, we enrolled 75 participates which was over the target goal of 50. Each participate was given a pre and posttest to evaluate their reading comprehension and vocabulary level. We are proud to say that over 65% of the participates showed improvement in reading comprehension and vocabulary level. The purpose of the program is to enhance student's vocabulary and reading comprehension skills. The Summer Enrichment Reading is a six-weeks program depending on the available funds. Fortunately, we have been blessed with funds for the past six years. This is where your generosity will hopefully materialize or continue.

This is only made possible through the funding we have received in the past from members of our community, other communities, organizations, and businesses. We write to ask you to support our organization this year with a donation to support the summer initiative programs.

In addition, we are seeking funds to assist the organization with its expansion of a new facility in order to accommodate the new services we are providing such as the After School Program and mentoring providing for Pre-K thru 12th grade.

If you are interested in supporting our fundraising effort for either project, please complete the enclosed form and indicate which project you prefer your funds to be use towards and mail your 100% tax-deductible donation to **Delta Care Hope Foundation P.O. Box 168 Indianola, MS 38751**. Tax ID # 30-0800230. We also accept donated school related items and material. Please call Brenda Lynn for items needed for the program or the new facility.

If you are interest in a sponsorship package review information on the following page and complete the application after that. Should you have any questions, feel free to call or email us.

Thank you in advance for your support.

Respectfully,

Brenda Lynn, CEO
