WHO ARE WE

& why do we matter?

OUR MISSION:

To lead people to See the Way, Know the Truth, Live the Life.

We believe Jesus is the Way to forgiveness, purpose, hope, and eternal life, and we want every person to see Him clearly through the gospel.

We are committed to grounding people in the Truth of God's Word through worship, preaching, Life Classes, and discipleship.

As people grow in Christ, we want to see them move from connected to committed: worshipping joyfully, serving faithfully, giving generously, and carrying the mission of Jesus into our community and the world.

TRANSFORMATION DOESN'T HAPPEN

As we grow, God is calling us to more —not simply more people or more space, but a deeper faith, stronger community, and greater trust in Him.

Real transformation requires moving beyond what's comfortable, taking bold steps of faith, and trusting God as He leads us into deeper waters.

WHY NOW?

A HOME IS MEANT TO BE *shared*

A home is more than walls, rooms, and furniture.

It is where life is shared, where children are nurtured, conversations happen, prayers are prayed, burdens are carried, and memories are made. But a faithful home is never meant to become a closed door. The best homes make room for others. They welcome guests, offer belonging, and create space at the table. In many ways, the church is the same. God has given Friends Baptist Church a spiritual home where people have heard the Gospel, grown in God's Word, found community, raised children, served together, and been sent out for the sake of Christ.

The question before us now is not simply, "How can we preserve the home we have?" The question is, "How can we share it with more people?"

Our community is growing. New families are coming. Children are being formed. Parents are looking for safe places, meaningful relationships, and lasting truth. That is why DEEPER matters. Through the Children's Ministry Wing, Family Life Center, future outreach opportunities, and continued missions commitment, we are creating room for more children to be discipled, more families to be reached, more relationships to be built, and more people to encounter the hope of Jesus.

Every generation of believers enjoys a home they did not build alone. Someone prayed before us. Someone gave before us. Someone served before us. Someone sacrificed so that we could have a place to worship, grow, and belong. Now it is our turn.

DEEPER is our opportunity to prepare a home for generations to come, not so we can be bigger, but so people can be better: better disciples, better families, better witnesses, and better prepared for wherever God sends them. May the Lord take us deeper in faith so that we can reach farther with the Gospel, and may the home He has given us always be a home we are ready to share.

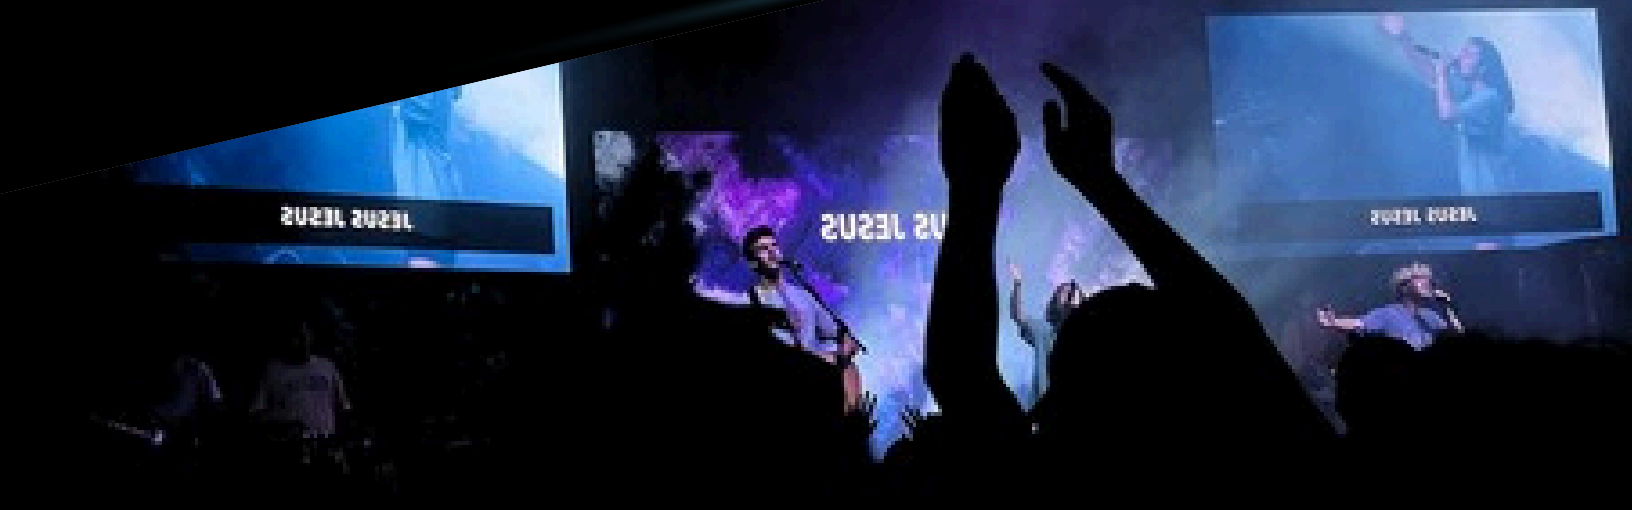

THE NEXT GENERATION

OUR NOW, THEIR FUTURE

Pouring into the children and students of Friends means investing in the future of our church and our community. God has consistently blessed these ministries with rapid growth as more children, students, and families walk through our doors each week.

With that growth comes an incredible opportunity and responsibility: to create spaces where the next generation can know Jesus, build lasting relationships, and grow into faithful followers of Christ. By investing in our kids and students today, we are raising up tomorrow's leaders, disciple-makers, and servants! Together, we can build a strong foundation that will not just outlive us, but those after us.

OUTREACHING FURTHER

While God is doing exciting things right here at home, He also calls us to use that momentum to reach far beyond our walls! A strong home gives us a greater ability to send people, resources, and the hope of the Gospel into our community and around the world.

As our church grows, so does our opportunity to raise up missionaries, support ministry partners, meet real needs, and boldly share Jesus wherever God leads. We are not given the divine gift of Jesus to be hearers of the Word, but to be doers!

When we strengthen the foundation at home, we're better equipped to go farther, give more, and reach more people with the Good News.

OUR 3 OBJECTIVES

1

Strengthen the Discipleship Foundation at Friends

Create secure, excellent, and welcoming ministry environments, especially for children, students, and families, so Friends can disciple the next generation more faithfully. This includes the Children's Ministry Wing, nursery, children's worship, AWANA capacity, lobby flow, Life Classes, worship, and leadership development.

2

Expand Gospel Reach into the Community

Make room for the families God is bringing to Clemmons and the surrounding area by creating new ministry pathways through the Family Life Center, Upward Sports, camps, clinics, community events, and future athletic fields. The goal is not activity for activity's sake, but relationships that become bridges to Christ and the church.

3

Unite the Church in Deeper Faith, Generosity, and Mission

Invite the whole Friends family into one shared spiritual journey: pray, engage, give, serve, and participate so ongoing ministry, missions, and future expansion are funded as one story. DEEPER is ultimately a discipleship season, a missions season, a generosity season, and a faith season.
