Ordinary Differential Equations	Jaydin

Online Tutoring – Tutor.com FREE 24/7 online tutoring tool for all DSU students.

How to Access: Directly in all courses in Canvas

What is my role in tutorial sessions?

- Arrive to tutorial appointment on time
- Be prepared with a laptop or Ipad (phones do not allow to share screens/files) & with textbook, notebook, class notes, handouts, pen/pencil
- Be prepared with true attempt at assignments–homework or test questions will not be answered directly; similar examples will be shown.
 - Be prepared to be engaged in the session – practicing problems, explaining steps.
- Be in a distraction-free environment: limit background noise such as music, people and be appropriately dressed (avoid out of bed PJ look)
 - Have a positive attitude - learn *what to learn* while learning *how to learn*
