AMINO BLEND

Glutamine | Ornithine | Arginine |
Lysine | Citrulline | Carnitine

30ml / MDV

For intramuscular or intravenous
injection

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

FUNCTIONS

The combination of these ingredients and the roles they play may aid the body in:

- ✓ Protein metabolism
- ✓ Cell volumizing
- ✓ Anti-catabolism (prevents breakdown of muscle)
- ✓ Increase of Human Growth Hormone secretion
- ✓ Vasodilation and blood flow
- ✓ Increased vitality
- ✓ The conversion of fatty acids into energy
- ✓ Growth and maintenance of bones and connective tissue
- ✓ Fat metabolism and energy
- ✓ Performance recovery time
- ✓ Muscle building

Amino Blend

Ingredients and Their Roles

Glutamine 30mg/ml: Amino Acid

Glutamine plays key roles in protein metabolism, cell volumizing, and anti-catabolism. Glutamine also increases your ability to secrete Human Growth Hormone, which helps metabolize body fat and support new muscle growth. Glutamine's anti-catabolism ability prevents the breakdown of your muscles.

Arginine 100mg/ml + Ornithine 50mg/ml: Amino Acids

Your body uses ornithine to synthesize arginine, then arginine is used to produce nitric oxide. Nitric oxide regulates smooth muscle contraction, which allows it to relax the muscles in blood vessels. Promotes vasodilation and blood flow. The amino acid ornithine is a perfectly-suited supplement to arginine. It is reduced to arginine in the body, but this occurs very slowly, so that its effects last a long time. The combination of both amino acids improves the overall regeneration capability of the body and leads to a noticeable increase in vitality.

Lysine 50mg/ml: Amino Acid

Lysine is very important in the creation of carnitine, which converts fatty acids into energy and also lowers cholesterol levels. L-lysine also seems to play a role in absorbing calcium and helps the body form collagen, which aids in the growth and maintenance of bones and connective tissue.

Citrulline 50mg/ml: Amino Acid

Converted to Arginine in the kidneys. Longer lasting effect than just Arginine alone. Some research is looking at the benefits of helping with ED. Promotes vasodilation, blood flow, immune system.

Carnitine 100mg/ml: Amino Acid

Improves fat metabolism and energy, reduces recovery times and promotes muscle building potential.

Amino Blend and Erectile Dysfunction

L-arginine improves blood flow. It does so by creating nitric oxide (NO), a gas that helps dilate blood vessels. L-arginine has been shown to help people with heart disease or clogged arteries because of its vessel-widening abilities.

The same effect on blood vessels helps improve symptoms of erectile dysfunction (ED). The L-citrulline to NO path increases blood flow to a man's genitals. In one study, this increase in blood flow appeared to decrease symptoms of mild ED and improve the ability to maintain an erection.

Ascorbic Acid

- With Preservative
- Tapioca based ("Corn Free")
- 30ml / MDV
- For Intramuscular or Intravenous

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

OVERVIEW

Ascorbic Acid also known as Vitamin C, is a powerful Antioxidant that plays an important role in the body. This high concentration of Ascorbic is the ultimate immune system enhancer designed to help maintain a healthy immune response. High dose Vitamin C may help aid the body in:

- ✓ Supporting Various Cellular functions of both the innate and adaptive immune system
- ✓ Protecting the Body's Cells from damage
- ✓ Maintaining the health of skin, teeth, bone, cartilage, and blood vessels
- ✓ Helping improve brain function

BIOTIN

0.5mg/ml

10ml / MDV

for intravenous or intramuscular
use

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

OVERVIEW

Biotin is a B-complex vitamin, also known as B7 or Vitamin H. *Biotin* is necessary for the cell growth and the production of fatty acids in living organisms. *Biotin* converts fatty acids and glucose into fuel to produce energy. It helps to produce enzymes by metabolizing amino acids and carbohydrates. Biotin supplements may aid the body in:

- ✓ Healthy sweat glands
- ✓ Nerve tissue and bone marrow
- ✓ Stronger hair and nails
- ✓ Prevention of hair loss
- ✓ Increased metabolism
- ✓ Faster weight loss
- ✓ Improved blood glucose

GLUTATHIONE

200mg/ml

5ml / SDV / for intravenous use

30ml / MDV / for intramuscular use

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

OVERVIEW

Our bodies quintessential antioxidant defense is the glutathione system, which includes glutathione itself, along with the enzymes and other proteins that enable glutathione to do its work. Glutathione is actually a very simple molecule - our body makes it from three amino acids - cysteine, glycine and glutamine. Levels of glutathione have been shown to diminish with age as well as with chronic illness and poor health. Functions of *L-Glutathione* include:

- ✓ Protects cells from free radical damage
- ✓ Improves cellular function
- ✓ Aids in recovery process
- ✓ Acts as a universal toxin-binder

MINERAL BLEND

MagnesiumCL | Zinc | Manganese |
Copper | Selenium

30ml / MDV

For intramuscular or intravenous
injection

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

FUNCTIONS

The combination of these ingredients and the roles they play may aid the body in:

- ✓ Higher function of nervous system, behavior, memory, and learning
- ✓ Immune defense + function
- ✓ Combating infections and wound healing
- ✓ Metabolism of amino acids, cholesterol, glucose, and carbohydrates
- ✓ Cognitive function
- ✓ Fertility in both men and women
- ✓ Thyroid hormone metabolism and DNA synthesis

MYERS' COCKTAIL

Magnesium Chloride | Dexpanthenol |
Thiamine | Riboflavin-5-Phos |
Pyridoxine HCL | Niacinamide |
Calcium Gluconate |
Hydroxocobalamin | Ascorbic Acid

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

OVERVIEW

The "Gold Standard" for delivering intravenous vitamins and minerals directly to your bloodstream. Dr. John Myers pioneered this use of intravenous nutrient therapy in the 1960's. The *Myers' Cocktail* may help with:

- ✓ Immunity boosting
- ✓ Preventative therapy for cold + flu season
- ✓ Reduction of fatigue
- ✓ Sports performance enhancement
- ✓ Hangover remedy

Myers Cocktail

Drug Overview

The "Myers' Cocktail" is the gold standard of delivering intravenous vitamins and minerals directly to your bloodstream. Dr. Myers, pioneered this use of Intravenous Nutrient Therapy (IVNT) in the 1960's.

The nutrients included in this formula (calcium, magnesium, selenium, zinc, Vitamin B and Vitamin C) are balanced perfectly for people new to IVNT and those needing a quick boost. Based on the Myers Cocktail formulation, we have built on the original formula of Dr. Myers. It is used to deliver vitamins and minerals directly into the bloodstream, offering superior absorption over oral supplements.

May address a variety of issues, including:

- Hangover and headache relief
- Cold and flu symptoms
- Chronic fatigue
- Brain fog
- Immune system strengthening
- Anti-aging
- Optimal athletic performance and recovery

Active Ingredients

- Magnesium Chloride 9.65mg
- Dexpanthenol (B5) 4.07mg
- Thiamine HCl (B1) 1.62mg
- Riboflavin-5-Phos (B2) 3.23mg
- Pyridoxine HCl (B6) 1.63mg
- Niacinamide (B3) 1.62mg
- Calcium Gluconate 4.07mg
- Hydroxocobalamin (B12) 0.1mg
- Ascorbic Acid (Vitamin C) 64.4mg

BY INTRAVENOUS INFUSION

NICOTINAMIDE ADENINE DINUCLEOTIDE (NAD⁺)

250mg or 500mg | For IV use only

Anti-Aging (2-hour Infusion)

Neurogenerative (4-hour Infusion)

Addiction Treatment (Dependent on Drug History)

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

OVERVIEW

NAD and *NAD⁺* occur naturally in the body. They play a major role in the chemical process of generating energy. *NAD⁺* is probably the most important co-factor for improving mitochondrial function.

Mitochondria are intracellular organelles (a.k.a. "energy powerhouses") where micronutrients are converted to energy-rich ATP molecules for the cell. *NAD* helps the liver break down fats that are essential to provide energy for the body. Boosting *NAD⁺* may help manage a wide spectrum of diseases, ranging from diabetes to cancer. When *NAD* is given intravenous, some research has shown it can improve:

- ✓ Mental Clarity
- ✓ Alertness
- ✓ Concentration
- ✓ Memory

Nicotinamide Adenine Dinucleotide

(NAD)

Drug Overview

Several recognized non-redoxroles: Important in cell nuclear DNA repair and telomere maintenance.

NAD and NAD⁺ occur naturally in your body. *They play a major role in the chemical process of generating energy.* NAD⁺ is probably the most important co-factor for improving mitochondrial function. Mitochondria are intracellular organelles (a.k.a. “energy powerhouses”) where macronutrients (proteins, carbohydrates, and fats from food) are converted to energy-rich ATP molecules for the cell. NAD helps the liver break down fats that are essential to provide energy for the body. It also helps create ATP, which is a major source of energy for cells. Boosting NAD⁺ may help manage a wide spectrum of diseases, ranging from diabetes to cancer. *When NAD⁺ is given by IV (intravenous),* some research has shown it can improve *mental clarity, alertness, concentration, and memory.* Moreover, NAD⁺ infusions may improve athletic endurance and reverse the symptoms of chronic fatigue.

Recommended Dosage

NAD⁺ Addiction Treatment Guidelines

- Safety - Inherently safe at doses of 2gms/day or less, generally give 800 to 1800mg per day, over 3-8 hour treatment for 7-16 days, depending on drug history

NAD⁺ Anti Aging Treatment

- 2 hour infusion of 250mg NAD, utilizing a minimum of 500ML Normal Saline

NAD⁺ Neurogenerative Treatment

- 4 hour infusion of 500mg NAD, utilizing a minimum of 500ML Normal Saline

FOR IV ADMINISTRATION

TRI-IMMUNE BOOST

Glutathione | Ascorbic Acid | Zinc Sulfate

30ml / MDV

For intramuscular or intravenous injection

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

OVERVIEW

Tri-Immune Boost is a power-packed immunity blend made up of Glutathione, Ascorbic Acid, and Zinc. This high concentration blend of immune boosting essentials is the ultimate immune system enhancer to help maintain a healthy immune response.

- ✓ Ascorbic Acid supports cellular functions of both the innate and adaptive immune system
- ✓ Zinc Sulfate plays a role in the development + function of immune processes
- ✓ Glutathione protects host immune cells + provides optimal functioning of other cells in the immune system

Tri-Immune Boost Formula

Drug Overview

Tri-Immune Boost is a triple defense immunity formula that consists of potent antioxidants and an essential mineral that assists in supporting the body's immune response.

Ascorbic Acid 200mg/ml A strong antioxidant that contributes to immune defense by supporting various cellular functions of both the innate and adaptive immune system.

Zinc 5mg/ml An essential mineral that contributes to immune defense by its role in the development and function of many immune processes. Supplementing with this mineral may help combat infections and aid wound healing.

Glutathione 200mg/ml An amino acid that contributes to immune defense because it is required by the immune system for two important reasons: it protects host immune cells through its antioxidant mechanism and it provides the optimal functioning of lymphocytes and other cells of the immune system.

What Does This Formula Do?

Tri-Immune Boost is a power-packed immunity blend of Glutathione, Ascorbic Acid and Zinc that is the ultimate immune system enhancer. This high concentration blend of immune system boosting essentials helps maintain a healthy immune response.

Recommended Dosage

1-3ML WEEKLY INJECTION

BY INTRAMUSCULAR INJECTION

VITAMIN D₃

Oil Based / 50,000 iu/ml

30ml / MDV

For intramuscular injection only

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

OVERVIEW

Vitamin D is a fat-soluble vitamin that is necessary for mineral homeostasis and proper formation of bone. The major biological function of Vitamin D is to maintain normal blood levels of calcium and phosphorus.

HEALTH BENEFITS & INDICATIONS FOR USE

- ✓ Helps fight disease / antioxidant
- ✓ Helps both bone and muscle strength
- ✓ Boosts weight loss

ALLEVIATE

IV Nutrient Infusion Formula

Minimize Bloating, Irritability, Abdominal Discomfort, and Lower Back Pain

Calcium Chloride + Magnesium Chloride + Vita Complex + Hydroxocobalamin

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

OVERVIEW

Mi Amaur Aesthetics IV Nutritional Infusion Formulas are used to deliver vitamins and minerals directly into the bloodstream. Offering superior absorption over oral supplements. We offer several IV formula solutions to address a variety of issues, including:

- ✓ Immune system strengthening
- ✓ Anti-aging
- ✓ Athletic performance & recovery
- ✓ Metabolism enhancement
- ✓ Hangover & headache relief
- ✓ Cold and flu symptoms
- ✓ Fatigue
- ✓ Brain Fog

INNERGY BOOST

IV Nutrient Infusion Formula

Burn Fat+ Feel Energized + Boost your Metabolism

B-Vitamin Complex + Amino Blend

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

OVERVIEW

Mi Amaur Aesthetics IV Nutritional Infusion Formulas are used to deliver vitamins and minerals directly into the bloodstream. Offering superior absorption over oral supplements. We offer several IV formula solutions to address a variety of issues, including:

- ✓ Immune system strengthening
- ✓ Anti-aging
- ✓ Athletic performance & recovery
- ✓ Metabolism enhancement
- ✓ Hangover & headache relief
- ✓ Cold and flu symptoms
- ✓ Fatigue
- ✓ Brain Fog

NATURAL IMMUNITY BUILDER

IV Nutrient Infusion Formula

Boost Your Immune System & Feel Better Faster

Ascorbic Acid + Multi-Vita Complex + Zinc Chloride

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

OVERVIEW

Mi Amaur Aesthetics IV Nutritional Infusion Formulas are used to deliver vitamins and minerals directly into the bloodstream. Offering superior absorption over oral supplements. We offer several IV formula solutions to address a variety of issues, including:

- ✓ Immune system strengthening
- ✓ Anti-aging
- ✓ Athletic performance & recovery
- ✓ Metabolism enhancement
- ✓ Hangover & headache relief
- ✓ Cold and flu symptoms
- ✓ Fatigue
- ✓ Brain Fog

WHAT HANGOVER?

IV Nutrient Infusion Formula

Ease Hangover Headache, Nausea, and Dehydration

Ondansetron + Multi-Vita Complex + Multi-Mineral Blend

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

OVERVIEW

Mi Amaur Aesthetics IV Nutritional Infusion Formulas are used to deliver vitamins and minerals directly into the bloodstream. Offering superior absorption over oral supplements. We offer several IV formula solutions to address a variety of issues, including:

- ✓ Immune system strengthening
- ✓ Anti-aging
- ✓ Athletic performance & recovery
- ✓ Metabolism enhancement
- ✓ Hangover & headache relief
- ✓ Cold and flu symptoms
- ✓ Fatigue
- ✓ Brain Fog

BRAINSTORM

IV Nutrient Infusion Formula

Improve Cognitive Function; Information processing, Learning, Memory

Folic Acid w/ B12 + L-Taurine + Alpha-Lipoic Acid

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

OVERVIEW

Mi Amaur Aesthetics IV Nutritional Infusion Formulas are used to deliver vitamins and minerals directly into the bloodstream. Offering superior absorption over oral supplements. We offer several IV formula solutions to address a variety of issues, including:

- ✓ Immune system strengthening
- ✓ Anti-aging
- ✓ Athletic performance & recovery
- ✓ Metabolism enhancement
- ✓ Hangover & headache relief
- ✓ Cold and flu symptoms
- ✓ Fatigue
- ✓ Brain Fog

GODDESS GLOW

IV Nutrient Infusion Formula

Fight Acne, Wrinkles, and Tired Skin from The Inside Out

Ascorbic Acid + Olympia Vita Complex + Biotin

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

OVERVIEW

Mi Amaur Aesthetics IV Nutritional Infusion Formulas are used to deliver vitamins and minerals directly into the bloodstream. Offering superior absorption over oral supplements. We offer several IV formula solutions to address a variety of issues, including:

- ✓ Immune system strengthening
- ✓ Anti-aging
- ✓ Athletic performance & recovery
- ✓ Metabolism enhancement
- ✓ Hangover & headache relief
- ✓ Cold and flu symptoms
- ✓ Fatigue
- ✓ Brain Fog

THIRST QUENCHER

IV Nutrient Infusion Formula

Hydrate + Combat Fatigue

Ascorbic Acid + Olympia Vita Complex +
Olympia Mineral Blend

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

Vitamin B-12

- Needed for the brain, nerves, and production of red blood cells in the body
- helps increase metabolic energy and improve mood regulation
- For Intramuscular or Intravenous Injection

MI AMAUR AESTHETICS nutritional IV formulas are comprised in a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

OVERVIEW

Methylcobalamin, also known as Vitamin B12, is an important vitamin. It is used to treat not only vitamin B12 deficiency, but also other conditions, such as pernicious anemia and diabetes, inflammatory bowel disease (IBD), memory loss, depression, & fatigue.

Research shows that methylcobalamin is more efficiently used and retained in the body than cyanocobalamin. Methylcobalamin can also be found in foods, such as clams, mollusks, liver, fish, lamb, veal, beef, and dairy products.
