

Merry Christmas!

The Christmas elf has come to town,
to leave the holiday goodies you found!

Please help Santa spread some joy and cheer,
to family and neighbors both far and near.

Pack a treat bag with two copies of this note,
to pass on to loved ones to promote.

Leave holiday treats where the elf has not gone,
ring the doorbell and hurry on!

Post the “We’ve Been Elfed” sign on your door,
to show others the elf has been there before!

P.S. Catch me if you can!
