## CROATIA AND SURROUNDING REGIONS WINE BOTTLE SELECTIONS

*Croatian wine has a history dating back to the Ancient Greek settlers, and their wine production on the southern Dalmatian islands 2,500 years ago. Like other old world wine producers, indigenous varieties thrive in Croatia, perfectly suited to the local terroir. All of our Croatian wines are selected by trusted importers with whom we have personal relationships, and made by small family run wineries, with productions often being not exceeding more than several thousand bottles. Please ask our staff if you need assistance selecting the perfect Croatian bottle!*
