Pitak Court is located in Sathorn soi 1, after Hampton International Pre-school & Mankong Phranai Muay Thai gym, opposite Siam Penthouse in the same compound as Khanittha Salon. It is an old property which is not well indicated. Enter via the car park archway next to My Save postal/delivery & Talisman shop. Walk all the way into the property following the road that winds around to the left, beyond the town houses and garden, past the pool. House 30 is in a large garden on the left with a grey gate (between the inner car park and the long white wall, before Onion architects). There is plenty of parking on the property

****PLEASE PARK INSIDE OUR GATES**** (not in tenants communal parking).
