OUR POLICY

Due to product longevity and how the color is formulated, some gel/regular polish will fade or stain depending on the hue of the color. Fading and staining are not due to craftsmanship.

Staining may be caused by:

1. Lotion, tanning lotion, tanning bed, exposure to sunlight
 2. Hair products, hair dye, hair spray
 3. Makeup
 4. Cleaning supplies
- . Please ask the tech to test the color of the polish before application. There will be a fee if you want to change colors during the polishing process.
 - . Due to some circumstances, any gel/polish will be fixed within one week of service.
 - . Please note that the fix must be the same color.
 - . Any fix with a different color will be charged a fee.
 - . Any other fix not caused by our craftsmanship will be charged a fee.
