# PET ADVENTURE TIPS

Dogs on leashes are welcomed on almost all the trails, except for few special historic sites (these are usually fee sites). Just remember to bring some of the enclosed bags to clean up after them so that the trails are left to be enjoyed by everyone. Get a 'Red Rock Pass' so you can park at the trailheads. Passes are available at some trailheads (vending machine), the Red Rock Ranger District Visitor Center, or at the resort's reception desk.

## Wanna go for walkies? Yeah? But, first

### Know your limits & your doggy's

Does your current exercise endeavor consist of walking around the block a couple times? Then you may want to rethink that 10 mile hike you're mapping out. Remember you need to be able to hike without difficulty, so does your furry companion.

### Bring Food and Water

It's best to keep your pet from drinking the water in streams or pools as these can contain nasty bacteria.

#### Collar & Leash

Just as you would when you're going for your regular walk.

#### Proper ID Tags

Use your cell phone to take a current photo.

#### First Aid Kit

Throw some tweezers in it for easy cactus thorn removal.

#### Sunscreen

They make it specially for dogs. Noses are very susceptible.
