

What are *Adventure Bucks*?

1. *Adventure Bucks* are reward points!
2. The more you participate, the more you earn!
3. *Adventure Bucks* can be cashed in to pay the application fee when applying for the **Audacious Annual Expedition** and **Seasonal Reach Experiences**.

How are *Adventure Bucks* earned?

Adventure Bucks are automatically earned and tracked when you engage in these ways:

- \$20** Sign up as an active participant and complete the first monthly assessment
- \$5** Attend an activity or event in person or virtually
- \$5** Complete a Recovery Coaching sessions with a Certified Peer Counselor
- \$10** Carpooling / give a ride to another participant to activity or event
- \$10** Refer a new participant (\$10 per referral upon their sign up)
- \$5** Tag @recoverybp in a social media post on Facebook or Instagram one or more times a month (\$5 per month!)

Why is there an application fee to some things?

Like our **Monthly Community Events** and **Weekly Conversations and Activities**, the **Audacious Annual Expedition** and **Seasonal Reach Experiences** are free to our active participants; however, spots for these higher tier adventures are limited.

Adventure Bucks are used to pay the application fee for these more exclusive opportunities — providing participants the chance to join. A highly engaged participant can earn enough *Adventure Bucks* to apply to all the higher-tier adventures each year!
