SAILORS' CAFE

MIRTH | MOUSIIQUII | MANNA

Enjoy Fresh

We make our own Pizza Base, Pizza Sauce, Pasta Sauce, Burger Patties, Nuggets fresh!
Most of our spices, sauces are made in-house.
We do this so that you can have freshest of experience in taste & texture.

The coffee you have here is a special blend of Robusta & Arabica beans, sourced from the oldest Coffee Estates of Chikmaglur.

A Request
Since the food we make is fresh and not with ready made gravies/sauces, we take about 20-25mins for service.
Preferably, order all items at once so that you don't have to wait mid-meal.

While your food is prepared, make use of our games, books from our Book Exchange Club or chat with us.

Why Sailors' Cafe ?

In a sailboat, a sailor, is at the mercy of winds.
The sailor must adjust the sails,
whichever kind of winds may come,
from any direction, weak or strong,
to stay on course to the destination.

Same thing applies to life.
We are at the mercy of challenges that life throws at us.
We must, then, adjust our sails,
to stay on course to our destination,
whatever that might be.
Captured so beautifully by White Snake in their song 'Sailing Ships'
That is our inspiration & muse.

We hope we can, in some way,
be a refuge from the chaos & the harshness of life,
for however little time you spend here at this café.
We will strive to give the best of us, to this end.
That's a promise.

Welcome, stay and be.
