Exfoliation with salt crystals combined with a moisturizing massage for an express beautifying treatment that leaves the skin soft and silky.

#### **P5 Slimming Treatment - \$120**

To say goodbye to unwanted curves and excess fat, powerful marine ingredients help trim curves.

#### **Morpho Designer Body Scrub - \$110**

This innovative body treatment offers an integral beauty experience by combining three major esthetic actions in a single protocol: contouring, firmness and skin quality.

#### **Steamy Wonder Body Polish - \$110**

This luxurious body treatment leaves you pampered & glowing from head to toe. Beginning with a full body exfoliation utilizing a sugar scrub & deep conditioning oils, we gently polish away dead skin to reveal the soft glowing skin. Once applied, your body is treated to the signature Steamy Wonder steam tent for 20 minutes while you relax & rejuvenate with a facial massage or scalp massage

#### **Body Polish - \$45**

A full body exfoliation utilizing a sugar scrub & deep conditioning oils, we gently polish away dead skin to reveal the soft glowing skin.

#### **Clarifying Facial – Starting at \$90**

Dull? Congested? Suffocated Skin?

Slough away tired, dull cells to expose a brighter, more radiant complexion by remineralizing with nutrients from the earth and sea. Self heating mud will help to soften impurities and detoxify congested skin while marine sugars will revise the vitality of the skin for better respiration and clarity. Say hello to bright, clear, healthy skin!

### **Chemical Peel – Starting at \$120**

Noticeable lines? Laxity? Problematic skin?

Gentle Alpha and Beta Hydroxy Acids will visibly soften lines and wrinkles, improve skin tone and texture, diminish hyperpigmentation, or control unwanted blemishes without downtime! An antioxidant rich Vitamin C mask will bring your skin back to its natural glow as well as calm and soothe. Your skin will feel revived, healthy and refreshed.

### **Youth Reviver Anti-Aging Facial – Starting at \$125**

Sun Spots? Dullness? Aging?

Powerful and nourishing sea algae and minerals replenish skin that is dull, dehydrated, and tired. These key ingredients and antioxidants reactivate lazy cells and stimulate collagen to strengthen and firm weakened tissue into restored youthful looking skin. Say hello to supple, radiant skin.

### **Bare Your Back - \$100**

Clarify and soften the skin on your back . It provides a deep cleansing and hydration that will leave you with healthy glowing skin.

### **Red Light Therapy - \$30**

Help to improve skin's appearance, such as reducing wrinkles, scars, redness and acnes. It can also help with reducing inflammation in cells and increase blood circulation in tissues.

## **Facials**

### **Purely Bare – Starting at \$60**

Short on time? This express 30 minute facial includes cleansing, exfoliation, and a customized mask. Tell us your concerns and we will chose what is best for you. This fact is beneficial prior to more advanced treatments as the skin must be healthy before doing more intensive procedures.

### **Bare It All – Starting at \$80**

Create a strong foundation with this back to basics 60 min. facial. This facial includes cleansing, exfoliation, extraction, a customized mask, and massage. Tell us your concerns and we will chose what is best for you. This fact is beneficial prior to more advanced treatments as the skin must be healthy before doing more intensive procedures.

### **Sea Soothing Facial – Starting at \$90**

Sensitive? Rosecea? Sun Exposed Skin?

Let the Sea soothe your irritated skin. Red Algae, Marine Spring Water, and Probiotic Sugars reduce redness, soothe compromised skin, and reinforce the skins natural protective barrier, resulting in a nourished, calm, and even toned complexion.

### **Dermaplaning - Starting at \$110**

Reduce the appearance of acne scars or other skin imperfections by revealing newer, undamaged skin.

Dermaplaning is a minimally invasive cosmetic procedure that saves away the uppermost layeres of your skin.

### **Red Light Therapy - \$30**

Help to improve skin's appearance, such as reducing wrinkles, scars, redness and acnes. It can also help with reducing inflammation in cells and increase blood circulation in tissues.

#### **Emsculpt NEO**

A bang for your buck with two therapies in a single treatment. The non-invasive treatment is designed to eliminate fat cells and build muscle. It combines radio frequency heating & HIFEM in a 30 minute treatment. Emsculpt NEO is great for stubborn belly fat, thighs, arms, and buttox. Your package includes 4 treatment sessions.

#### **Emface**

This is the first therapy that works on the framework of your face from the inside out. It is non-invasive, needle free, 20 minute treatment. EmFace was named the best treatment game changer in 2023 by Cosmo. This package includes 4 treatments.

#### **Empower**

EmpowerRF is a new safe and effective solution delivering life-changing technologies for women's wellness. This innovative technology addresses a broad range of conditions, including blood circulation, pain relief, stress, urge, and mixed urinary incontinence.

- **V-Tone** - A gentle nonsurgical technology designed to provide intravaginal electrical muscle stimulation to rehabilitate weak pelvic floor muscles and improve the symptoms of stress, urge, and mixed urinary incontinence.
- **FormaV** - A comfortable treatment that provides uniform volumetric deep heating for tissue remodeling with real-time control of surface temperature. Often times you will see treatment effects immediately with continued results over the following weeks.

### **RF Microneedling**

A skin treatment that stimulates collagen production in the underlying layers of the dermis. Radio frequency (RF) energy is a scientifically proven method to remodel fat and rebuild collagen.

- *Exion* - Less Pain, more gain with the single pass microneedling. It reaches up to 8mm deep without full needle insertion, reducing discomfort while maximizing results.
- *Morpheus 8 Face*- A minimally invasive procedure that uses a matrix of micropins to renew the deeper layers of the skin with almost no patient downtime. It can be used on areas that can benefit from resurfacing and subdermal renewal.
