A message from Ben and the *Shower Chair* team

Shower Chair contains themes of substance abuse and self harm. Two years ago, I “took a break” from drinking and it’s been the best decision I’ve ever made. The lifestyle change brought me closer to my goals, gave me confidence, and birthed this show!

We wanted to provide resources following the show:

[We Are With You - Free, confidential support with drugs, alcohol, and mental health](#)

[ADFAM - Support for families affected by substance abuse](#)

[ACA UK - Adult Children of Alcoholics & Dysfunctional Families](#)

[AI-Anon UK - For families & friends of alcoholics](#)

Thank you to
