AMANDA FARMER (she/her) (Katniss)

She absolutely loves the Hunger Games and still remembers being *obsessed* with Katniss in middle school! Finally, she is forever grateful for the team behind LCC for giving her the opportunity to perform, the cast for being so supportive and awe-inspiring, and for everyone who supported her journey in this art form!*

Message from the Director:

Thank you for coming to see The Hunger Games. We as a company believe this show is so special and important. The political parallels to our current climate are hard to ignore. As the founder, I would also like to thank you (the audience!) for supporting Literary Concerts. We hit our one-year mark this past week and have been able to achieve so much in just one year and wouldn't have been able to do it without you. Thank you to The Otherworld Theatre for welcoming us into their space. Lastly, thank you to my best friends for creating something beautiful with me.

All the love forever.
