Frequently Asked Questions

Q: How do I book?

A: When you are ready to book, give us a call or send us an email. It's best to have a quick phone call to talk about the event live. We want to make sure we can give you just what you're looking for and that we've talked through options. And of course, everyone has a budget and you should have a solid idea of how much everything will cost. After that, we'll send you an invoice for a deposit to reserve your date & time.

Q: When are my payments due?

A: Final payment is due right after the event. We'll send you an invoice and that payment will be due immediately. Some folks prefer to pay ahead of the event. We can certainly invoice you before the event if that's your preference.

Q: When do we pick flavors?

A: Several days to a week before the event, we'll have a phone call to talk through details- confirm the address and serving time, where you'd like us to park, and which package you'd like to have. If there are any add-ons you'd like, we can discuss those as well.

Q: Can I add on Cones? Sauces? Cookie Sandwiches?

A: Yes! Cones, Warm Sauces, and Cookie Sandwiches are all available for an additional charge. We can talk through those options any time before the event.

Q: What makes your ice cream special?

A: We proudly serve Millie's Homemade Ice Cream—crafted in small batches using simple, high-quality ingredients. It's the same ice cream you'll find at our scoop shops—rich, creamy, and always made with love.

Q: Do you accommodate dietary restrictions?

A: Yes! We offer standard and rotating selections of dairy-free and gluten-free options. Let us know your needs, and we'll do our best to accommodate.

Q: What's included in the service?

A: We bring the truck, the scoops, the friendly staff, and the fun. We'll help you choose a scoop menu, handle all the serving, and clean up after ourselves. We also give a "last call" and a courteous wrap-up so your event ends as smoothly as it began.

Q: How far do you travel?

A: We typically serve the greater Pittsburgh area, but depending on the event size, we may travel further. Just ask!
