

Village Fete and Fun Dog Show

**Wisborough Green Fete
on Monday 31st August 2026
From 1pm**

Illustrated by Katie Wells

We look forward to seeing you!

We're delighted to welcome you to another memorable day at Wisborough Green's Fete, a celebration of everything that makes village life so special. Get ready for a day filled with traditional entertainment, community spirit and fun for all ages in the heart of our wonderful village.

This year we bring back many of your much-loved favourites. From classic fete games and exciting raffles that are guaranteed to spark a little friendly competition (p 9-12), to stalls showcasing homemade treats, local produce and handcrafted gifts (p 19-21).

We're also excited to announce that Bellmans Auctioneers are returning with their ever-popular Antique Challenge. Be sure to stop by, put your knowledge to the test and see whether you can spot a hidden treasure!

Our much-loved Fun Dog Show (p 8) welcomes dogs of every shape and size. As always, the crowd-favourite sausage challenge promises plenty of laughs and lively competition.

Entertainment continues throughout the day with music from the Worthing Silver Band, a display of vintage vehicles and children's races to keep everyone involved. When it's time to refuel, you'll find a fantastic choice of refreshments — from traditional tea and cake, ice creams and local cider, to fish and chips, barbecue favourites, pizza and jacket potatoes.

Since 2008, Wisborough Green's Fete has proudly raised more than £65,000 for local causes (see p17), made possible by the generosity of our sponsors, volunteers and everyone who comes along to support the day. Thank you for being part of our village's special day.

Please note: Fete stalls will be cash only, so don't forget to bring some along.

We all look forward to welcoming you to Wisborough Green.

Please keep our village green tidy

Public Toilets are across the road near the junction with A272, and also in the Pavilion

Fishers Farm will be here

Fishers Farm will be attending the Fete this year as usual with a selection of their cutest animals to include pygmy goats, rabbits and chickens. 14 year old retired police shire horse Ruby and sister Nel will be parading on the green.

this year the History Society is showcasing **Lawnmower Racing**

Did you know that the quirky sport of lawnmower racing was 'invented' in Wisborough Green in 1973, at the Cricketers Arms no less?

Come along to the History Society display and read about the history of the sport, view some of the many photos from our archive and, courtesy of The British Lawnmower Racing Association, we also have some racing lawnmowers on display accompanied by their drivers.

Immerse yourself in the history of lawnmower racing past and present.

About the Wisborough Green Village History Society

The Society not only preserves images, documents, and artefacts from the past, but also creates contemporary historical records for future generations.

We are a small group of people who enjoy talking about and researching the history of our parish and meet at 10.30 am on the second Tuesday of each month in the Village Hall Committee Room. The Society's monthly newsletter has interesting articles and illustrations about the story of Wisborough Green.

Why not join us? Come see our stand.
